Invitation to Advertise

Exeter Festival Chorus has a proud 30 year history of exciting and innovative concerts and performances in and around Exeter and the South West. We regularly collaborate with professional musicians to present a broad repertoire from early to contemporary music and jazz. We develop community outreach activities and support fundraising events, taking us to new audiences both young and old.

At each of our concerts in the season we produce an attractive programme. These contain information about the music and artists, as well as notes for the listener to help them appreciate the works as they are performed.

We invite local businesses to promote their services to our audiences and support the chorus in its high standards of presentation by taking an advert in our programmes. Our concerts in Exeter Cathedral attract audiences of 600 or more, smaller venues approximately 250 - 300. Programmes are also given to choir members.

Advertising options are detailed below. We offer a 20% discount for bookings across three or more concerts, 10% for bookings over two. Full details of our 2024/25 season are on our website <https://exeterfestivalchorus.org.uk/index.php/whats-on>

Space is limited so if you are interested in booking please get in touch as soon as possible, email efcprogramme@gmail.com .
